**The Speaker Line-up is to die for...**

**Literally...**

# Previous years!

Every year, awesome speakers and **Great Talks!**

**Richard Stallman**

GNU/Linux

**Alexis Ohanian**

Reddit

**Zed Shaw**

Mongrel server / Learn X The Hard Way

**Jeff Atwood**

StackOverflow / Coding Horror

**This year includes...**

*"Data Visualization Expert and Co-Developer  
of Processing"*

**Ben Fry**

*"Cryptographer, cracked Netscape Navigator"*

**Ian Goldberg**

**Join <http://goo.gl/BZ9zz>**

and ...

*"Ph.D Student from Carleton, thesis in  
Storytelling in Video Games"*

**Gail Carnmichael**

...How cool is that? C'mon, be inspired!

**Join <http://goo.gl/BZ9zz>**

**Make a friend? Or two? Or three?**

Surrounded by over **300 like-minded students**  
from all **across Canada!**

Evening pub and games night's: sit back, relax  
and talk a bit of tech (...or not) with **peers,**  
**sponsors** and **speakers.**

Meet, network and bond with new people that  
you can add to your professional network!  
Perhaps personal too :P

# Want a job?

Career fair with over **13 tech-industry companies** wanting to bring you on their **team**, it's a fact!

Sponsors include **Google, Microsoft, Shopify, SAP, Morgan Stanley, Amazon** and many more!

# Pourquoi ?!?

The best student-run conference in the industry! Period.

rated **11**/10

Famous presenters have said that this is the best conference they've ever attended!
