

CUSEC 2013

What's CUSEC

- Canadian University Software Engineering Conference

but it's really more about 'computer people' (incl

- Student run
- Non-profit
- Montreal, 16-19 January 2013
- 60\$ ticket, 120\$ hotel = 180\$ to attend

Why ?

**CUSEC is a great
experience.**

Whyyy ?!?

Co-chaired by one of uOttawa's student

Alexandra Phillips

Delegates from 12 English and French
colleges!

Whyyy ?!?!?!?!?

Many students come back from CUSEC going

**"Oh yeah, that's why I
joined SEG/CEG"**

because uOttawa lectures made them forget.

WHYYYY ?!?!?!?!?!?

Every year, awesome speakers and **Great Talks!**

Richard Stallman

GNU/Linux

Alexis Ohanian

Reddit

Zed Shaw

MongrelDB / Learn X The Hard Way

Jeff Atwood

StackOverflow / Coding Horror

WhyyyyyyYYYYyyyyyyYYYY !?!?!??!

Make connections with great employers!

Amazon	Google
Dropbox	Apple
Microsoft	Adobe
Shopify	IBM

Pourquoi ?!?

One of the best student-run conference in the industry!

rated **11**/10

Famous presenters have said that this is the best conference they've ever attended!

?!?!?!?!?!?

CUSEC presentation usually spend a lot of time talking about **career development**, giving guidance on what **direction to take** after University!

How

January 16, 1900h:

Departure

January 17 to 19:

Conference

January 19, ~1900h:

Return

Why do you need \$\$\$

Lower Costs

==

More Students

Why do you need \$\$\$

Reimbursements:

$$180 \$ * 40 = 7.2 \text{ k\$}$$

Bus:

Previous years 1.2~1.5 k\$

Actual quote **1864.50\$ =/**

Total with actual quote 9064.5 \$

Asking for 8623.80 \$
