Hello,

Congratulations, your project has been granted \$3233.62 from the Engineering Endowment Fund. Reimbursement is conditional: all students must be undergraduate engineering students.

Please submit reimbursement requests to the EEF mailbox in the Dean's office. Follow the guidelines posted: <http://essaeg.ca/wp-content/uploads/docs/EEF-Proposal-and-Reimbursement-Guidelines.pdf>  
And don't forget to email me when you have submitted a reimbursement request.

Thank you for your application!

Cheers,

--
